

# **12<sup>th</sup> INTERNATIONAL MANGO SYMPOSIUM**

**July 10-16, 2017, BAISE, GUANGXI, CHINA**

<http://www.mango2017.com.cn>

## **2<sup>nd</sup> ANNOUNCEMENT**

Following the first announcement in October 2016, we are very pleased to issue the Second Announcement of the **12<sup>th</sup> International Mango Symposium**, which is, as scheduled, to take place 10-16<sup>th</sup> July, 2017 in Baise, Guangxi, China.

The venue of the **12<sup>th</sup> International Mango Symposium** is Tiandong Tiancheng International Hotel, located at Tiandong county, Baise city and 180 km away from Nanning Wuxu International Airport, 22 km away from Baise Bama Airport. The venue is also the hotel where our foreign delegates stay, facilities and room rates of the hotel are shown in the Accommodation section of the symposium website <http://www.mango2017.com.cn/>.

As planned in the First Announcement, a broad scientific program embracing oral presentations, posters and field visit will go together with varieties, technology, products and market exhibition to meet interests of various participants and purposes. From the abstract contributions received, oral and poster presentations are grouped into thematic sessions as listed below. Letter of Acceptance of abstracts to the Symposium have been e-mailed to respective authors, either for oral or poster presentations. PowerPoint Presentation (PPT) is required for oral presentations, format of the poster is available from the Information Section. The oral presentation sessions include:

Session 1: Genetic Resources, Breeding and Biotechnology

Session 2: Physiology and Cultural Practices

Session 3: Pest and Disease Control

Session 4: Post-harvest technology, Processing and Marketing
