# Horticulture for DEVELOPMENT

## Spring Meeting Notes

The Division will be meeting biannually (Spring & Fall each year) to discuss relevant symposium information and membership questions. This first meeting, we discussed:

- Nominating members for ISHS Awards
- Communications with Executive Board
- Generation of two potential working groups:
  - Innovation in Technology
  - Innovations in Scholarship of Teaching and Learning

If you'd like to read more detailed notes taken during the meeting, please [follow this hyperlink](#).

## Chair's Corner

Hello! My name is Melinda Knuth. I am the newly elected Division of Horticulture for Development (DDEV) Chair. My goals during my term include:

1. Increased communication with members of the division
2. Increased advocacy for the division with the executive board
3. Greater participation through developing working groups and learning tools helpful for division members.

This newsletter is the "fruits" of achieving my first goal of increased communication. I will be providing quarterly newsletters. Stay tuned for more!
