

INTERNATIONAL HORTICULTURAL FORUM

6th International Trade Show for Horticultural
and Floricultural Production and Processing Technology

22nd August 2018, AMBER 3, BITEC, Bangkok, Thailand

HORTICULTURAL PRODUCT QUALITY

This a unique opportunity to be involved and participated in this one day Inaugural International Forum on "Horticultural Product Quality" taking place during the 6th International Trade Show for Horticultural & Floricultural Production and Processing Technology (Horti ASIA 2018) at BITEC, Bangkok, Thailand on 22nd August 2018. The Forum will enable scientists and technologists to present their latest innovative research results to an audience of Asian and International experts from more than 70 countries including propagators, growers, processors, manufacturers, distributors and traders (local wholesalers and retailers as well as exporters and importers). In addition, investors, government departments, project managers, associations and decision makers will attend.

We invite you

to present a paper or poster at this Inaugural International Horticultural Forum which is a joint venture between the International Society for Horticultural Science (ISHS) and VNU Exhibitions Asia Pacific Co., Ltd., the company organizing Horti ASIA 2018.

ISHS
International Society for Horticultural Science

www.horti-asia.com
